- The course will be delivered over 5 days by Jim Flynn of MTS Consulting.

- AIM:

To equip learners with the practical skills and knowledge necessary to manage the workplace in a safe, legally compliant and risk-controlled manner.

- LEARNING OUTCOMES:

**On completion of this course participants will be able to:**

- Understand the responsibilities of the organization and management in health & safety management

- Know how to practically manage risk in the workplace, and be aware of a range of hazards
- Develop a range of skills required to maintain a safe place of work, including risk assessment and safety statement maintenance

This course is suitable for those with a Level 5 Certificate, Leaving Certificate or equivalent qualifications and/or relevant life and work experience. The course is primarily intended for managers/supervisors.

- ASSESSMENT consists of:

Written Examination (30% of total marks) - on the final day candidates.

Project (70%) – learners will be asked to design a Risk Management Programme for a workplace.

Full guidance and support will be provided to learners.

For the FETAC Module Descriptor, see

[http://public.fetac.ie/AwardsLibraryPdf/L31750\\_AwardSpecifications\\_English.pdf](http://public.fetac.ie/AwardsLibraryPdf/L31750_AwardSpecifications_English.pdf)

- Attendance is advised on each of the four days as the course is designed to build on previous learning. This will also facilitate the fulfilment of the assessments required at the end of the course.
- **€450.00**– booking form and payment required in advance of course commencement. Fee is **non-refundable**
- Lunch will be provided each day – please inform us of any special dietary requirements prior to course commencement

**Location:** The Education Centre is located on the Grounds of St. Luke's Home, Castle Road, Mahon. We are located close to Blackrock Castle and the following link provides directions and map. <http://www.stlukeshome.ie/node/101>

Places will be allocated on a first come first served basis and early booking is recommended.
